

MOVING FIREWOOD TRANSPORTS TREE-KILLING INSECTS AND DISEASES

**BUY IT WHERE
YOU BURN IT.**

If you're a camper heading out for a trip — or just getting firewood for your stove — do nature a favor. Don't transport invasive species.

- ▶ Buy locally harvested firewood.
- ▶ Gather on site where permitted.
- ▶ Ask a park ranger or campground host about where to get local firewood.

The forest will thank you!
