

Don't Move Firewood Campground Outreach

The Forest Health Program of the Missouri Department of Conservation is working with campgrounds and RV park owners to help spread the message of safe firewood usage and the importance of not moving firewood.

There are a variety of **free** outreach items available for campground and RV park offices, including a new “What’s in Your Firewood Brochure”, brochure holders, magnet notepads, pens, kid activity sheets, and crayons.

If your campground or RV park office is interested in obtaining any of these free items, **please fill out and return the form below:**

Mail or email to:

Robbie Doerhoff
Forest Entomologist
MDC Central Regional Office
3500 E Gans Rd
Columbia, MO 65201

Robbie.Doerhoff@mdc.mo.gov
(573) 815-7901 ext. 2906

Campground contact information:

Park Name: _____
Contact person: _____
Phone: _____
Email: _____
Mailing Address: _____

Please check which items you would like to receive:

- Brochures Brochure holder Pens Magnet notepad
