Outreach and Updates

Submit Your State's Link Now!

Every August, the Don't Move Firewood team updates a master resource list for public use. We include state outreach, education, regulation and legislation information and resources pertaining to firewood. Then we publish the list for everyone to use. But we need your help! Send your state's best resource link (at least one) to LGreenwood@tnc.org ASAP. It's an easy way to help people find your state's information, and we'll share the list in the September newsletter. Thank you!
